

# Farm Women Societies

## Lancaster Society 11

Lancaster Society 11 met recently at the home of Grace Chase for a report on the state convention and a review of the by-laws.

Program books for 1984 were

## Lancaster Society 13

Officers were elected at the latest meeting of Lancaster Society 13. They are: Mrs. Willis Esbenshade, president; Mrs. Edward Wissler, vice president; Mrs. T. Hershey Rohrer, recording secretary; Mrs. I. Wayne

distributed and two new members were welcomed into the group.

The February meeting will take place at the home of Helen Wagner.

Brubaker, corresponding secretary; Mrs. David Rohrer, treasurer.

Mrs. Ralph Sensenig, police officer, spoke on safety, and reports were given on the state convention.

## Berks Society 12

Berks Society 12 met recently at the residence of Helen Ebling, Reading, and made plans for 1984.

Mrs. Ebling, who was elected state secretary of the Pa. Farm Women, gave a report on the state convention. It was also decided to buy a birthday gift for the Society's adopted patient at Berks Heim.

The next meeting will be at the residence of Glenna Hix, Mohrsville R1.

# You can bet on the spread from Hedlund-Martin

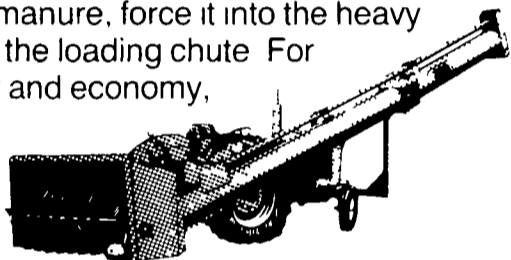

## Equipment to solve your manure handling problems.

Save your time and money by using machinery designed to bridge the gap between liquid and solid manure handling:

### The Equalizer

Loads manure too thick to pump and too thin to bucket. Powerful blades in the scoop break up the most crusted manure, force it into the heavy auger, and up the loading chute. For loading power and economy, there's nothing like the Equalizer.

### The Vanguard

Hauls liquid and semi-solid manure fast, up to 600 gallons per minute. Capacities range from 1575 to 3300 gallons. With the Vanguard you get a low cost-to-capacity ratio, low maintenance, and extra heavy construction for years of tough use.

### The Scavenger II

The ultimate machine to handle all your manure, year 'round. Handles liquids, semi-solids, pen or pack, even frozen manure. Unloads faster and uses less horsepower than a flail spreader. The Scavenger II has a heavy-duty chain drive and rugged construction throughout. You'll get an answer at first glance will tell you the Scavenger II is unlike any spreader ever seen.
