

Farm Talk

Dairy Council elects officers

(Continued from Page D26)

matter of hours and then roaring off into the sunset, not to be seen again until next year.

Phantom agriculture is a fact clear across the crop-oriented south, and it's a factor also here on the Delmarva peninsula. Whether it's good or bad is for someone else to judge.

SOUTHAMPTON Four officers were re-elected and two new officers installed to serve one-year terms when Dairy Council, Inc., Southampton, Pa. hold its Annual Meeting in January

Re-elected president is Robert B. McSparren of Peach Bottom, Lancaster, Pa.; vice president is Daniel L. Martin of Manheim, Lancaster, Pa., executive director

of Dairy Council and secretary is Raymond N. Weber of Hadonfield, N.J., and administrative secretary of Dairy Council and assistant secretary is Susan Snyder of Parkview section of Northeast Philadelphia

Newly-installed are treasurer, Dr. Paul E. Hand of Warminster, Bucks County, Pa., and assistant treasurer, Robert M. Dever of

Society Hill section of Philadelphia.

Dairy Council Inc. is a non-profit nutrition education organization focusing on health education by serving as a resource in nutrition education and providing factual

information about milk and dairy products.

The organization serves the territory of Southeastern Pennsylvania, Southern New Jersey, and Delaware — a total of 27 counties.

Swing-Frame Mower Conditioners

12' and 14' Cutting Widths

Now you can get into high capacity haymaking with new swing-frame center pivot mower conditioners from Gehl. Our new 2230 has a full 12' cutting width while the 2262 offers a 14' cut AND high speed double sickle cutting action for faster cutting and increased capacity.

Both of these new mower conditioners feature totally hydraulic drive with high torque and smooth operation -- no mechanical main drivelines for reduced maintenance and parts.

These new swing-frame units pivot at the center of the frame for positive, easy posi-

tioning of the header. You can cut from the left side or right side of the tractor, or tow directly behind for roading. The result to you is reduced cutting time and fuel costs with nearly infinite maneuverability.

Both the 2230 and 2262 feature a 20" auger to feed the crop into the 57" wide conditioning rolls for thorough crop conditioning.

Now you can get into high capacity haymaking at self-propelled speeds and convenience, without the cost of a self-propelled. The NEW 2230 and 2262 swing-frame mower conditioners from Gehl.

All Forage Equipment has interest free waiver until Sept. 1, 1984

All Skid Steer Loaders, Grinder Mixers and Hay Equipment Has interest free waiver until July 1, 1984.
