BUILDINGS and EQUIPMENT!

Now there's a way you can boost profits 20% or more. Chore-Time's new MEAL-TIME feeding concept is an entirely new way to feed hogs. Merely by changing the way you feed (but not the feed you use), the MEAL-TIME System can add 15 to 20% or more to your net profit per pig — by improving feed conversion 5% or more.

MEAL-TIME is the natural way to feed hogs, because hogs eat "meals". The patented MEAL-TIME System is programmed to automatically feed hogs at 2 or 3 times per day. The result — MEAL-TIME's system gives hogs time to digest feed thoroughly so feed is fully utilized.

The complete MEAL-TIME System includes feeders with built-in waterers, plus timing device and other accessories.

See us today and find out how you can profit from the Chore-Time MEAL-TIME System.
