COUGAR IV

One of the
world's most efficient
farming machines

Once You Own A Four-Wheel-Drive Tractor,
The Key To How Profitable It Is Comes Down To
**THE AMOUNT OF WORK IT DOES, HOW MUCH FUEL IT
USES, AND HOW MUCH UPKEEP IT TAKES.**

A COUGAR DOES MORE WORK.

The Cougar's large displacement and high torque rise Caterpillar and Cummins engines have consistently given Steiger the extra reserve of pulling power. In fact, these 280 horsepower Steigers actually outperform higher horsepower tractors by delivering more of their engine horsepower to the drawbar. This high percentage of engine to drawbar horsepower means that with a STEIGER Cougar you get more of the power you're paying for.

A COUGAR SAVES FUEL

You pay for a tractor once. You pay for fuel everytime you put the nozzle in the tank. But Steiger has engineered this four wheel drive to squeeze more power out of every drop of fuel than any other tractor in its class. The difference between the fuel efficiency of a Cougar CM-280 and most other tractors can save you enough money each year to buy your family a new TV or refrigerator or other appliance.

A COUGAR LASTS

Steiger selects engines, transmissions, and other components from a wide range of sources. So while other manufacturers are generally forced to sell only what they build, Steiger can pick from the newest and most efficient technology on the market. The components are then carefully engineered into a machine that can consistently outperform and outlast the competition. A COUGAR keeps its upkeep to a minimum.

**IF YOU COMPARE A COUGAR IV TO THE OTHERS,

STORMOR EZEEDRY

The EZEEDRY is the grain drying system thousands of farmers have used. For more than 15 years, farmers have found that the thin drying layer and high volume, low heat airflow lowers drying costs.

Drying capacities are available from 100 to 1,000 bu/hr at 10 pt removal. And, it doubles as a storage bin after drying is completed.

The Biggest Savings All Year

With winter discounts and rebates, now's the best time to come in for a free, no obligation estimate.
