AIR FILTERS

Prices* rolled back across the line! On the
average, they're 38% less than the retail
price suggested last year. That puts most of
your Ford air filters below 1978 price levels!

\$16⁵⁰ | \$24⁹⁵

Both filters fit many 3-cylinder engines

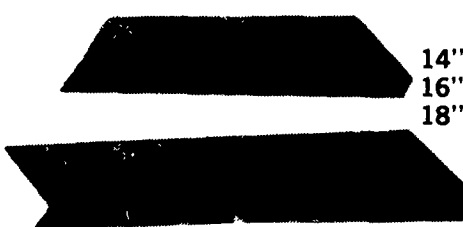

134 OIL

Best for Hydraulics

Excellent protection and
stability for all gear-type
transmissions, tractor
hydraulic systems, rear
axle, and "wet" inboard disc
brakes used on most Ford
tractors since 1965.
