A
NEW
FUEL
ECONOMY
RECORD**

Nobody builds a more fuel efficient 100-120 hp. tractor than the 2-110 Field Boss®. Not Deere. Not Deutz. Not anybody.

Because in nationally recognized official tests, the 2-110 beat every current production tractor in its class with a record 16.77 hp-hrs/gallon at rated speed.**

So now-along with nine field speeds between 2 and 7 mph, one of the industry's most comfortable cabs, and our proven three-speed powershift — you also get the most fuel efficient diesel tractor in the 100-120 hp. class.

The 2-110 Field Boss. A perfect match of power, performance and economy.

PULL THROUGH THE TOUGH SPOTS WITH A POWER FRONT AXLE

When wet spots or other tough areas slow you down, a quick shift into four wheel drive can make all the difference. And all it takes is a Power Front Axle option on your 2-70, 2-110, 2-135, 2-155 or 2-180 Field Boss® tractor.

4WD is not created equal. If you think all Power Front Axles are the same, look again. Most tractors use the engine as part of the structural frame, Adding four wheel drive puts a lot of stress on the engine block. We think too much stress.

It's one reason why every Field Boss has a separate main frame casting. The engine is cradled inside it. Besides adding hundreds of pounds of working weight to the tractor, this separate main frame handles the extra stress of the four-wheel-drive.

See what over 21 years of success in four-wheel drive tractors can mean. Drop into the dealership for a look at a Field Boss with Power Front Axle. Today.

POWER FRONT AXLE TURNING RADIUS BRAKE APPLIED

JD 4450	15.8 Feet
JD 4650, 4850	16.4 Feet
IH 5000 Series	13.5 Feet
AC 8000 Series	13.3 Feet
WFE's Series 3	
2-135, 2-155, 2-180	13.2 Feet

Just one feature of many - three speed powershift, new cab, 13 speeds in the important working ranges, cast iron frame - the list goes on.

TWO LOADER TRACTORS DESIGNED ESPECIALLY FOR STOCKMEN!

Livestock means loader tractors. And the new 2-55 and 2-65 Field Boss® utility tractors were designed with livestock operations in mind. They come with a lot of standard features (extra-cost options on most other makes) that can save you time and effort.

The new 2-55 and 2-65 Field Boss utility tractors — with or without a loader — are packed with features to save time and effort around livestock operations.

Shift-on-the-go. Our new synchromesh transmission lets you shift through four ranges without stopping. To let you choose from 16 forward speeds.

Tighter turning. You'll like the quickness and agility of the 2-55 and 2-65, too. Even the four wheel drive models turn almost as tight as most other two wheel drives. A big plus in feedlots and other tight spots.

These new tractors have so many work-saving features we can't list them all here. So come on in and count them up for yourself. It'll be worth the tip.
