ADD A NEW EFFICIENCY EXPERT TO YOUR TEAM AT A NEW LOW PRICE

Your first thought may be, "What did they leave off the tractor to get the price down?" Because of special allowances from John Deere, we can honestly tell you, "only the dollars we took off the price tag of 2150 through 2950 models." * Yes, we want your business—but not enough to try to sell you some stripped-down "special" without features to handle the work you have to do. We won't do business that way, neither will John Deere.

To make our new, lower-priced tractor offer even more attractive, John Deere's making an additional price-reducing offer. Take a cash rebate or interest-free financing to January 1, 1985! *

Come in check the specs on this lower-priced John Deere and others in stock. Check the added savings from John Deere financing. Get our trade-in quote. Arrange for a demo. We'll complete for your business with anybody—and deliver a work ready John Deere tractor as our end of the bargain.

* This offer may be reduced in value or withdrawn at any time.
