

BLADEx SUPERFORMANCE™

Herbicide Performance Characteristics	Bladex	Lasso*	Dual*	Sutan+*
1. Excellent residual control of surface germinating grasses in heavy crop residue.	YES	NO	NO	NO
2. Controls 55 grasses and broadleaves.	YES	NO	NO	NO
3. Most economical tank mix with atrazine.	YES	NO	NO	NO
4. Controls fall panicum after emergence.	YES	NO	NO	NO
5. Excellent burndown of emerged weeds in heavy crop residue.	YES	NO	NO	NO
6. Can end the need for paraquat or other contact herbicides.	YES	NO	NO	NO

*Reg. TMs Lasso—Monsanto Co. Dual—Ciba Geigy Corp. Sutan—Stauffer Chemical Co.

Only Bladex gives you all these advantages in heavy crop residue.

If your corn herbicide cannot "answer yes" to all the superior weed control advantages shown in the chart above, consider Bladex® herbicide:

1.

Bladex gives excellent control of surface germinating grasses in heavy crop residue. It stops grasses like fall panicum and foxtails which can germinate in the surface trash and escape from grass herbicides that work through shoot uptake. And because of its root uptake action, Bladex provides more effective residual control of both grasses and broadleaves.

2.

Bladex alone controls 55 weeds—14 grasses and 41 broadleaves—more than any other corn herbicide.

3.

Bladex with atrazine is the most economical atrazine tank mix you can use. Added savings result because Bladex can end the need for expensive contact herbicides.

4.

Bladex is the only post-emergence corn herbicide labeled for controlling fall panicum after it has emerged.

5.

Bladex delivers excellent burndown of emerged weeds, up to three inches tall,

in heavy crop residue. This can be an important advantage on fields which have no spring tillage.

6.

Using Bladex for burndown weed control on no-till acres can end the need for paraquat or other costly contact herbicides. Even hotter burndown is achieved when Bladex is applied with 2-4D and/or liquid fertilizer containing nitrogen.

This year, more than ever, get all the high performance weed control you can muster with Bladex at new federally approved rates. Ask for Bladex 4L or 80W. Always use as directed.
