**WE'LL MAKE YOU A GREAT DEAL...
AND NOW THROUGH APRIL, JOHN DEERE WILL MAKE IT EVEN GREATER.**

When John Deere builds an economy rider, only the price is stripped down.

Until now, if you wanted to buy an economy rider, you had to settle for economy features. But this year, John Deere introduces the R-70 and the electric-start R-72, two solid economy riders that are built to uphold the John Deere tradition for quality

Each comes with several features you won't find on competitive riders. And each is built with an attention to detail that'll keep them running for years.

So if you want to save on a riding mower, but you don't want to sacrifice comfort, convenience, performance or reliability, take a look at the new R-Series riders at your nearby John Deere dealer
