## PUBLIC AUCTION OF REAL ESTATE, DAIRY CATTLE, FARM MACHINERY, EQUIPMENT AND FEED SATURDAY, APRIL 28, 1984

At 11:00 A.M.

Located from Bridgewater, Va., (Rockingham County), turn southwest on Road #727 to Sangersville, then west on Road #730 for 2 miles (first dairy farm on the right). Watch for auction signs.

As we are moving to another location, the following will be sold at auction:

### MACHINERY:

4020 John Deere tractor w/dual wheels, John Deere 48 loader, 730 John Deere diesel tractor, Farmall "H" tractor, John Deere 3940 harvester w/two-row 30" cornhead, windrow pick-up, 2 Kill Bros. gravity boxes on Bear running gears, 2 Gehl silage wagons, New Holland No. 8 silage wagon, John Deere 14T hay baler, Bush Hog off-set 12 ft. (heavy duty) disc, John Deere 495A 4-row corn planter, Heston haybine 1014 w/hydro swing, Viccon seeder & fertilizer spreader, sprayer saddle tank, Snoco 50 ft. 6" auger on wheels, Mayrath 40 ft. skelton elevator, Brillion 10 ft. cultmulcher, K.M.C. 2-shank subsoiler, Glenco 11-shank chisel plow, 4-row cultivator, H.H. 404 hay crusher, Horst 35 ft. feeder or elevator, John Deere 300 corn picker (30" row)

### EQUIPMENT:

810 Farm Hand Feed mill, Caland gate feeder, flex auger, 25 Ton feed tank, 3 feed tanks, Data Feed feed computer, 5 hog feeders, 5 fiber dome calf hutches, 5 treated plywood calf hutches, 20 ft. silo roof & tripod, 20 ft. silo unloader, 40x20 swimming pool liner, 1000 gal. plastic tank, 2200 bu. corn crib.

### FEED:

Corn & rye silage, Approx. 20 Ton ear corn, shelled corn, 58 acres rye in field. Hog Premix.

### CATTLE:

40 Milk cows, springing heifers.  
Terms on above items - cash.

### REAL ESTATE:

At 12:00 noon the farm will be absolutely sold unless sold before sale date. This consists of 8 acres (more or less) and is improved by a 2-story, 10-room house w/2 baths and a bank barn with loafing shed including 90 individual loafing stalls, large lagoon and 2 excellent wells, a dairy parlor-straight 8, milking equipment, feeders, 1250 gal. milk tank, 4 silos (24x70, 20x60 concrete staves and unloaders. 2 are 12x40). Shenandoah Pride will buy milk from whoever purchases the farm. For appointment to inspect real estate or equipment before sale contact Daniel Witmer (703) 828-2196.

TERMS: 10% of the purchase price down on day of sale with balance due when deed is delivered or some financing will be done by owner.  
Not responsible in case of accidents. Lunch will be served.

## "Twist-Lock" cups: newest innovation from the new leader

## ...another reason SWISH saves you more labor, more birds, and more money

The newest twist in cage watering makes cup cleaning and maintenance a real snap - it's SWISH's "Twist-Lock" cups for cage layers and brood-grow watering systems

**Saves labor.** No more contortions with hand tools inside a cage - one simple twist of the wrist unlocks and removes the unitized cup and valve. It's that easy to maintain when necessary. But, with SWISH, it's hardly ever necessary. That's because our cup is self-cleaning. Our patented valve keeps the cup clean by flushing any feed particles out so birds can consume them with the water.

Installation is a snap too with SWISH's new cups they simply snap into the desired location, and the hose attaches to the water line outlet. These are some

of the ways SWISH's new cup saves you labor - easy installation, low maintenance, and labor savings between flocks because our cup constantly cleans itself.

**Helps save more birds.** Because our cup is self-cleaning, algae and bacteria growth is not a problem as with cups that don't flush out feed particles. Clean cups mean less chance of disease and less mortality. And our big cup means good access to water, for a good level of bird health. **SWISH saves you money.** That's the bottom line with a system that cuts labor and keeps birds alive and productive.

Get all the facts about our new cup and other SWISH innovations. See your SWISH distributor or contact us

The NEW SWISH - total commitment to quality & service
