JOHN DEERE BOTTOM-LINE SPECIALS

Choose a quality used tractor—any make—get our bottom-line deal plus waiver of finance charge to July 1, 1984

Now's the best time to prepare for next season with a quality used tractor. You can upgrade your power, dependability, features and comfort. We're ready to offer you our best bottom line deal on any make of used tractor over 40 hp. And if you finance with John Deere, finance charge will be waived to July 1, 1984. For 1983 investment tax credit and depreciation deduction you can buy during November or December and still qualify. Come in and choose the low hour, late model used John Deere or other tractor that will make your operation more cost efficient. * Availability of John Deere financing and leasing plans subject to approval of credit.

JOHN DEERE BOTTOM-LINE SPECIALS

Get a 5 or 10 percent discount on these new tillage tools

Here's why it makes good dollar-saving sense to buy now. Depending on the tillage tool you choose (see chart below) our dealership will give you our best deal and then deduct another 5 or 10 percent from the latest suggested retail base price. For example, this extra discount on an 18 1/2-foot 235 Disk saves you more than \$1,100. Finance with John Deere and finance charges will be waived to March 1, 1984. Or lease, and your lease payments will be discounted comparable in value to the waiver of finance charge. And remember, if you buy during November or December you'll qualify for the 1983 investment tax credit and depreciation.

Machine	Discount from Suggested Retail Price
Moldboard Plows	5 percent
Chisel Plows	10 percent
Field Cultivators	10 percent
Disks	10 percent
Mulch Tillers	10 percent
Mulch Finisher	10 percent

* Availability of John Deere financing and leasing plans subject to approval of credit. Leases not eligible for cash rebates or for cash in lieu of waiver. This offer may be reduced in value or withdrawn at any time.

FOR LOW-TILL OR NO-TILL

Save fuel, time, moisture and soil with a Max-Emerge® conservation planter

Here's a rugged planter you can rely on in most soil conditions, including stubble and many sod fields.

Heavy-duty springs help transfer weight from the 7-inch frame to each planting unit to keep unit-mounted coulters in the ground. Frame-mounted coulters and cast-iron firming wheels are available, too, for extra-tough conditions.

Whether you no-till, low-till or conventionally till your ground, these 4-row (30 to 40-inch rows), and 6- and 8-row narrow models can help you save fuel, time, moisture and soil. See us soon for details.

4 & 6 Row Conservation Planters Available
