

## AUTOMATIC BALERS

**John Deere round balers make baling almost automatic for any operator**

The John Deere 430 and 530 Round Balers' automatic design begins with the exclusive Bale-Trak™ monitor. It's your electronic guide to making bales that are uniform in shape and size every time.

A fast pickup speed means a more productive working speed. Diamond-tread forming belts start the hay turning immediately for fast bale starts.

When the bale reaches the preset size, the twine arm is automatically activated. The end result is top-quality, uniform bales that are easy to handle. Stop by for a look at the automatic 430 and 530 Balers.

## Big capacity

**John Deere's 540-rpm blowers feature large fans for extra blowing power**

Avoid silo bottlenecks with fast-working 66 and 6500 Forage Blowers.

## Fast unloading

**Keep your silage operation rolling with John Deere forage wagons**

The fast 11.5-feet-per-minute conveyor speed on John Deere forage wagons helps get you back to the field in a hurry.

## SHORT-KNIFE CUTTERHEAD

**Time-Mizer self-propelleds feature an exclusive 40-knife cutterhead**

Get the latest in self-propelled forage harvester technology with a 225-hp 5720 or 290-hp 5820 Timer-Mizer self-propelled.

Their time-saving design starts with the Dura-Drum™ cutterhead... 40 segmented knives on a 24-inch-diameter drum. These knives tend to slide back and avoid damage if they hit an obstruction.

The quick-adjustment stationary knife and built-in knife sharpener let you do needed adjustments in minutes. Let us show you all the advantages of Time-Mizer self-propelleds real soon.

**New John Deere self-propelled commercial mowers. Four rugged models let you walk or ride your way to professional lawn care**

New John Deere commercial mowers have a low center of gravity to let you mow grades of up to 25 degrees. Plus individual rear-wheel brakes that let you cut close to trees and shrub beds. For mowing in flat, open areas a sulky is available.

Pick from four models - 32, 36, 48 and 52 inches. All have a heavy-duty 11-hp engine, with 16-hp available on the two largest models. Plus hardened steel blades, ball-bearing spindles and welded steel deck. Large 3-gallon fuel tank, 7-speed variable-drive transmission and adjustable front casters are also standard. See us today for a demonstration.

Nothing Runs Like a Deere®
