

**Livestock
Systems**

Distributes and unloads

It's two machines in one for making super silage. V-III ring-drive distributor/unloader delivers forage evenly to the outside walls for better compaction, maximum capacity... and proper fermentation. Changes over, fast and easy, for big-volume unloading all year 'round. Plus many other top performance features.

**There's no better way than Butler...
See us for systems and service.**

**liquid manure storage system
saves time, labor, nutrients**

The new Liqui-Stor™ manure system efficiently manages your manure resource:

- Manure can be hauled at your convenience — daily hauling is eliminated
- You conserve management and labor time
- More N, P and K can be recovered from manure
- Pests and unpleasant odors are reduced
- As easy to empty as it is to fill.

**There's no better way than Butler...
See us for systems and service.**
