Early Riser Outyielded Deere and Allis-Chalmers Planters in Independent Side by Side Tests...

Fourteen on-farm tests in five states conducted by an independent test firm confirmed that the International® 800 Series Early Riser planter can outperform the John Deere Max-Emerge® 7000 Conservation and Allis-Chalmers 333 No-Til planters in both emergence and yield.

THE FACTS BELOW SPEAK FOR THEMSELVES

Corn yields were based on hand harvested samples that were weighed, moisture tested and then adjusted for No. 2 corn at 15.5% moisture.
