

# Delano to address Adams Farmers Assn.

GETTYSBURG — October 2 annual meeting plans were discussed at the regular May meeting of the directors of the Adams County Farmers' Association.

American Farm Bureau Federation (AFBF) President, Robert B. Delano will be the guest speaker. Neighboring County Farmers' Association members will be invited to attend. The AFBF President has been selected as the most influential nongovernment farm leader, according to a survey "Who Runs America" conducted by U.S. News and World Report. This is the fourth consecutive year Delano has received this honor.

Adams County Farmers' Association (ACFA) has reached an all time high in membership. Eight hundred thirty five county farm families are 1984 members. John Hess was the membership chairman for '84.

Robert Delano

Plans were discussed for the summer picnic to be held July 30 at the South Mountain Fair Grounds. All ACFA member families are invited.

Mrs. Thomas Clowney announced the date for Regional Ladies' Seminar is July 24 at Chilcoats Restaurant, Milroy. Ladies should be car pooling for that event.

Jacquelin King and Mitchell Reaver will be representing the Adams County Farmers' Association at the state youth conference to be held June 24-28 at Bucknell University in Lewisburg.

New Oxford second graders recently visited the John Hess dairy farm and the James Sanders hog farm. Ag. materials were distributed by Mary Grim, chairman of the "Ag In The Classroom" committee.

The young farm couples leadership conference will be held August 1 and 2 at the Sheraton, Penn State. All young ACFA farm couples 30 years or younger are invited. Discussion topics will be 1. Estate Planning, 2. Partnerships, 3. Insurance Planning, 4. Family Living, 5. Marketing through Futures, 6. Accident Prevention.

Contact your County President, Dale King, York Springs if interested in attending.

Jeffrey Waybright, Guy Donaldson and Fred Scott attended the Trustee meeting at Penn State on May 17.

# WESTFALIA HIGH TECH DAIRYING<sup>®</sup> VISOTRON

## High Tech control for stanchion barn operations

High tech control is now available for stanchion barn operations with the Westfalia Visotron. Every cow has different milking tendencies and Westfalia's Visotron will help you get all the milk from every cow.

With the Visotron, you can monitor milk flow, control pulsation and even regulate vacuum on an individualized basis for each cow

Visotron saves time and money. Each cow gets the individual attention she needs to give all her milk comfortably without the need for manual supervision. The result increased production and profit

The Visotron is portable and easy to install. It's the kind of addition to your dairy that will pay for itself in a very short time. Contact your Westfalia Sales Center today.

Find out why Westfalia is truly the leader in high tech dairy equipment. For the name and location of your nearest Sales Center, call or write
