Owners were asked, "Would you buy another Deutz-Fahr tractor?"

# 88% said "Yes!"

### 1982 survey tells how our owners feel.

Early in 1982, Deutz Corporation mailed a two-page questionnaire to 1980 purchasers of Deutz-Fahr tractors. A total of 617 surveys were returned from 29 eastern and central U.S. states. A primary question — "Would you buy another Deutz-Fahr tractor?" — was answered with a resounding 88% "Yes!" In addition, many owners wrote comments on their survey forms, some of which are highlighted in this folder. Most owners had logged between 500 and 1,000 hours on their 1980 tractor by the time they responded to this survey.

### OWNER COMMENTS:

Niagara County, N.Y., DX 90 (2WD)

"We needed a tractor to haul two + loads of manure per day, 365 days a year, also to grind 4-5 batches of feed per week, baling, tillage our DX 90 even started at 30°F

Clark County, Mo., DX 140 (2WD)

"Its main purpose was to have been the 'main horse,' to do all the heavy work, but it has been perfect for everything I wouldn't buy anything but a Deutz"

Madison County, Ohio, D 4506 (2WD)

"This is our second Deutz and when we trade we expect it will be for another Deutz

Coshocton County, Ohio, DX 90 (2WD)

"I have had no repairs and very little expense I like the tractor better every time I use it"

Green County, Wis., DX 110 (2WD)

"We fell you make an outstanding cab and hope you don't cheapen it like the other companies have"

Benton County, Iowa, D 6206 (AWD)

"The all-wheel drive feature for a loader tractor is super"

### This Farmer Equated Deutz Quality In Simple Terms:

Baxter County, Ark., D 4506 (2WD)  
"After comparing many models and makes, I found the Deutz was built like a Mercedes — an air-cooled engine is a plus."
