

Hange joins Sire Power

TUNKHANNOCK — Don Hange, Wooster, Oh., is named to the position of District Sales Manager for Sire Power, Inc. Don will be serving the Eastern Ohio area, according to Michael Creek, Sire Power's National Sales Manager.

Hange will be managing established areas and open up new sales territory for Sire Power in Eastern Ohio. His duties will include direct herd semen sales, delivery of semen, supplies, and nitrogen direct to the farm, teaching A.I. Training Schools, supervising A.I. technicians, and promotion of the GOLD Sire Development Program.

Previously, he served as the Executive Secretary of the Ohio Holstein Association for the past two and a half years. Prior to that, he was the Director of Communications for World-Wide Sires, Inc., an international semen marketing firm, based in California. He was a member of the World-Wide Sires staff for 3 years where he coordinated the domestic and international travel programs of World-Wide Sires clientele. From April 1976 through February, 1978, he was a Program Director for the National Holstein Association serving the states of Alabama, Florida, Georgia,

Don Hange

Louisiana, Mississippi, and South Carolina.

Hange is a graduate of The Ohio State University with a Bachelor of Science Degree in Agriculture with his major in Dairy Science. He is also a member in several professional organizations and activities. While an undergraduate at Ohio State, he was on the 1974 University Dairy Judging Team. Later in 1977, Don was an official judge for the Intercollegiate Dairy Cattle Judging Contest. He is an accredited Dairy Cattle Judge, and was very active in 4-H, Future Farmers of America, and participated in the International Farm Yough Exchange (I.F.Y.E.) Program.

DES MOINES, Ia. — Syntex Agribusiness has named Jeff Friese to the position of Eastern Regional Over-the-Counter Sales Manager, according to company Vice President of Marketing Rich Shuler.

Friese joined Syntex in September, 1982 as a sales representative in southeast Nebraska and southwest Iowa. Before joining Syntex he had 4½ years sales and management experience in the animal health industry.

In his new position, Friese will have responsibility for coordinating sales efforts for Synovex implants and swine biologicals in the eastern region, as well as motivating his 10-member sales force to reach their objectives.

Martin Cow Control Equipment:

Headlocks & Loop Stalls

Designed and engineered for safe, dependable and maintenance-free herd management. Built with rugged steel to last longer. Won't rot or splinter.

Self-Locking Headlocks

Manage stock more efficiently. Cow locks itself in position by placing head through opening and lowering it to feed. Each section also locks and releases manually with simple turn of lever. Feeding can be controlled, veterinary work performed safely. Available in 10' and 12' sections to provide from 4 to 8 stalls per section.

Galvanized Loop Stalls

Simplify bedding area cleaning without floor obstructions. Install or remove in minutes. Standard lengths 5' for 6' bed, heifers and young stock, 6' for 7' bed, adult animals. Frame tubing construction 55,000 lbs. min. yield high-strength steel, .109" wall. Top rail. 2" O D tubing, .083" wall.
