

SPERRY NEW HOLLAND PULL TYPE FORAGE HARVESTERS

AMERICA'S BIGGEST & BEST SELLING LINE

Heavy duty
from hitch
to spout.

MODEL 892

The Model 892 is a large capacity pull-type forage harvester built for big-tractor horsepower. The "892" can be used with tractors up to 175 horsepower.

The optional METALERT™ electronic metal detector — a Sperry New Holland exclusive — reduces harvester damage and can cut down on hardware disease. The "892" is available with 12-knife or 8-knife cutterhead. Exclusive underbeveled knives never need rebeveling and make knife sharpening fast and easy. Flip-up feedroll makes shearbar adjustment easy.

There's a big choice of crop heads, including the exclusive, interchangeable 3-row crop head/windrow pickup, 2-row low-profile crop head, conventional windrow pickup, sickle-bar and ear-corn snapping heads. Under-knife baffles increase capacity.

The Model 782 is built for heavy-duty performance. The 12-knife cutterhead chops uniformly, without a recutter screen. But for special crops and conditions, recutter screens are available. Check these outstanding features: Exclusive underbeveled knives eliminate the need for rebeveling. Flip-up feedroll makes shearbar adjustment easy. Choice of 540- or 1,000-rpm driveline. You have a big choice of cropheads, including one- and two-row, low profile cropheads, windrow pickup, sicklebar and one-row, ear-corn snapping head.

Heavyweight.

MODEL 1600

The Sperry New Holland Model 1600 is, without question, the biggest-capacity pull-type forage harvester you can buy. In fact, it can out-cut most self-propelled foragers for about one-third the cost.

If you have a big horsepower tractor and want to get more return on your tractor investment, the Model 1600 is definitely for you.

It'll handle three-row or four-row wide and narrow cornheads as well as windrow pickups. It can also be equipped with a four-row ear corn snapper head.

Stop in for more details on the Model 1600. It's the newest member of North America's best selling forage line.

The country's best selling medium-duty forage harvester is the Model 718 from Sperry New Holland. You get a fine, uniform cut with low power requirements. Exclusive underbeveled knives eliminate rebeveling and make knife sharpening fast and easy. Flip-up feedroll makes shearbar adjustment easy. Twelve-knife cutterhead has reversible, double-edged knives. You can choose from one- or two-row low-profile crop heads, windrow pickup or sicklebar.
