**USED EQUIPMENT SAVINGS**  
**Our Good Prices Become Great Deals**  
**With Interest - Free Financing**

Buy a reliable used tractor or combine from us and you'll get a fair price . . . and a special bonus.

**Used Tractors.** Buy any make or model used agricultural tractor from our selection and put it to work right away . . . but pay no interest charges until July 1 if you finance with John Deere.\* You get the benefit of added power and productivity interest-free from now until July.

**Used Combines.** Buy any make or model used combine . . . with or without header . . . now when selection is best. If you finance with John Deere, no interest will be charged until January 1, 1985.\*

That means you get this year's harvest use of the combine interest free!

**True value.** Remember, price is actually secondary. Used machinery has to be good machinery or it won't be of much use to you. Many of our tractors and combines have been carefully inspected and thoroughly reconditioned. It's the real reason our good prices are such good deals . . . and special financing makes them great deals. Stop by the store and check out our fine selection of reliable and productive used equipment.

**SQUARER BALES**

John Deere's baler line builds squarer, stackable bales

To build solid square-cornered bales consistently you need consistent control of the hay. And John Deere's 327, 337 and 347 Balers give that control from the moment hay touches the pickup.

A wide pickup with extra teeth lets these balers take in all the hay in today's wider windrows. There's even a compressor to keep the hay under control.

A floating tapered auger and adjustable feeder forks take over to keep material flowing evenly. The gear-driven knottor puts the finishing touch on these solid stackable bales from John Deere.
