

Hunterdon picnic on July 31

PITTSFORD, N.J. — Sam Leon's sod farm near Pittsford, N.J. will be the location of this year's Farmers'-Businessmen's Picnic, scheduled for Tuesday, July 31, reports August Knispel, chairman of the planning committee.

"This affair is a tradition in Hunterdon County, N.J. that dates back to the mid-30's," says Knispel. "It provides an opportunity for the farming community to join with their businessmen associates in an evening of fellowship, fun and excellent food."

Leon's Sod Farm will provide an interesting site for the picnic. The

farm produces fine turf which is marketed direct to consumers, but principally to landscaping contractors. It is the first time we have visited a sod farm, says Knispel.

There will be wagon tours of the farm, starting at 5:30 p.m., demonstrations of equipment, a refreshing milk punch served by the Hunterdon Dairy Princess and the County's Farm Bureau Queen. Exhibits of commodities will also be part of the County Board of Agriculture-sponsored event.

Picnic supper will be prepared

and served by Gene Maddalena and staff, East Amwell caterer. Included on the menu will be barbecued chicken, sweet corn, salads, fresh fruit, Maddalena's famed cheese cake.

Speaker is to be Senator Garrett Hagedorn, District 40, Midland Park. His speech will be inspiring and entertaining.

Tickets are available at \$7.50 from the Hunterdon County Board of Agriculture, Attn: August W. Knispel, Extension Center, 4 Gauntt Place, Flemington, NJ 08822. Phone Number is 788-1338.

Daily under-slat cleaning with 42" flites

Just push a button and 42" flites remove manure from under slatted floors or crates in farrowing houses, nurseries and finishing areas. Manure moves to your manure pump, compressed air manure mover or outside storage area.

The Patz Under-Slat Cleaner moves manure outside building to

avoid gas and odor problems from under-building manure storage. Lowered ventilation requirements allow draft-free, warm environment.

This 42" gutter cleaner uses proven Patz hook-and-eye link chain. It is powered by the same performance-proven drive unit as the popular Patz Gutter Cleaner.

COW MATS

Use our unique method of installing a one piece mat under a row of cows. Prevents movement of mat and bedding from creeping underneath.

All "row" and single mats are cut from heavy one inch rubber belting.
