

# Don't let Summer burn up your profits!

**Purina's new Egg Weight Plus™ increases egg size and returns!**  
brand LAYING FEEDS

Now Purina's Egg Weight Plus adds to the Accu-Line Program another way to increase egg size. These new Accu-Line™ brand laying feeds can improve egg size from young layers, whenever hot weather depresses egg size below market demands or anytime the price spread is wide between Medium and Large eggs.

Producers that feed Accu-Line realize the value of increasing egg size. With Accu-Line, they've increased egg size to meet changing

market conditions, while maximizing the number of marketable eggs. The result—improved profits!

**Egg Weight Plus** increases egg size above that achieved by the current Accu-Line program.

To increase your egg size with Accu-Line or Accu-Line **Egg Weight Plus**, see your Purina Dealer or District Manager today.
