

Talk to the man who knows forage handling systems.

Badger has been building forage equipment for over 30 years. They know what it takes to make forage equipment that is **profitably** efficient. And they know what is needed to make forage farming profitable.

Badger Mower/Conditioner

Just try a new Badger Mower/Conditioner and we'll send you \$100!

That's right. With haying season just around the corner, now's the time to test drive a new Badger Mower Conditioner. Try it. You'll like it. You'll buy it! But we'll send you \$100 even if you buy another unit within 30 days of your test drive. Add to this Badger's "beat the clock" rebate program that will give you up to \$400 more and you'll have the deal of the year.

But that's not all. If you choose to finance your new Mower/Conditioner through Badger, you'll be eligible for a special "in season" waiver. With 25% down, we'll waive finance charges until the end of August! (Sorry, no rebate with this program, but you'll still get your demo check!)

NO SILO TOO HIGH

They haven't built a silo that the Badger Blower can't fill. No matter how high or how big, the Badger Blower can fill 'em all.

It's simply the smoothest running, toughest blower you can buy, outperforming other models in volume and speed.

It will take anything you give it, forage or grain. And

the special Badger magnet catches tramp iron.

Get together with your Badger Dealer today and get ready to fill your big silo.

Badger Northland Boxes never see "The Forage Box Graveyard."

A Badger Box is built with steel channel side stakes for extra strength and specially treated, exterior grade plywood to resist acids, corrosion, and rot. The bolted undercarriage and chain drive are designed to take the toughest punishment.
