HAVING SOIL PROBLEMS?

Here's A Timely Tip...

Be sure you apply enough

The new higher-powered fertilizers often require more lime each application to maintain a neutral soil that tests to pH7

MASSEY-FERGUSON

It's too good to be true — but it is! Right now, you can buy new MF tractors or any new MF combine and get special low-rate financing from Massey:

- 7.9% APR* fixed-rate financing on MF combines
- 9.9% APR fixed-rate financing on MF tractors

Or, if you prefer, choose a waiver of finance charges instead:

September 1, 1984 on grain combines

December 1, 1984 on corn and bean combines

October 1, 1984 on most MF tractors

No matter which financing option you choose, you can save even more. We have big Massey factory allowances to work with, too.

This is a limited time offer. So don't wait! See us for full details.
