\*\*A similar financing rebate offer applies to any 40 Series Tractors remaining in inventory. Ask for details.

\*\*\*This model is not available for sale in Nebraska.

# BIG POWER FOR BIG JOBS

## Versatile, dependable John Deere lawn & garden tractors

John Deere lawn and garden tractors are built to take care of big mowing, thatching, tilling, blading and snow removal jobs... without taking it out on you.

Across-the-board features include cushioned high-back seat, color-coded controls, triple-safety starting, built-in headlights, roomy operator's area and 2-position footrests.

The 200 Series offers four models - 10, 12, 14 and 16 hp. All have 4-speed transmission and variable-speed drive that lets you speed up or slow down within each gear without clutching or reducing working speed of implements.

The 300 and 400 Series offer the ultimate in per-

formance, comfort and durability.

The new 430 has a 3-cylinder, liquid-cooled diesel engine for fuel efficiency. The 316, 318 and 420 are powered by heavy-duty 2-cylinder gas engines - 16, 18 and 20 hp, respectively.

All four models have rugged differential-axes, one-lever hydrostatic drive, tight 26-inch turning radius and hydraulic lift. The 318, 420 and 430 have two sets of front hydraulic outlets; the 316 has one set. Power steering is standard on all but the 316. A wide range of attachments is available for all models. Why not take a test drive today?
