# HAY BALERS

Bale it! up to 2,000 lbs of hay in one package. Up to 15 tons per hour. Solid from the core to the outside wrap.

- 25% heavier than other large round packages. 25% less spoilage.
- A bale that retains its shape — and nutritional value — better than any other hay package in the field.
- Five different models to fit your needs.
- The best part? It's the most competitively priced baler in the field today!

## Vermeer

The one man hay system includes disk and drum mowers, tedder rakes (twin rakes which can rake 3-9 ft. swaths into 1 adjustable width windrow) New and Used

Balers, Bale Movers and Bale Busters

## International Axial-Flow Combines

Four sizes to meet your needs

They're the world's most advanced line of combines. Because a rotor replaces the conventional cylinder and troublesome straw walkers. Threshing and separating are more thorough — there are fewer cracked kernels and there is less downtime and fewer repairs.

Four models — 13 to 30 foot platforms

- 1420 — 124 hp diesel engine and 125 bu grain tank
- 1440 — 135 hp diesel engine and 145 bu grain tank
- 1460 — 170 hp diesel engine and 180 bu grain tank
- 1480 — 210 hp diesel engine and 208 bu grain tank

Finance plans available
