

FARM EQUIPMENT

HAY BALERS

Bale it up to 2,000 lbs of hay in one package. Up to 15 tons per hour. Solid from the core to the outside wrap.

- 25% heavier than other large round packages. 25% less spoilage.
- A bale that retains its shape — and nutritional value — better than any other hay package in the field.
- Five different models to fit your needs.
- The best part? It's the most competitively priced baler in the field today!

Vermeer

The one man hay system includes disk and drum mowers, tedder rakes (twin rakes which can rake 3-9 ft. swaths into 1 adjustable width windrow) New and Used Balers, Bale Movers and Bale Busters
