(1) N.H. 488 MOWER-CONDITIONER w/Hydraulic Lift Kit \$7750.00

The "488" features a sicklebar that moves at 1,632 spm, equal angle PTO and an adjustable reel to pick up lodged crops. If it isn't a Sperry New Holland, it isn't a Haybine mower-conditioner.

(1) N.H. 495 MOWER-CONDITIONER With Lateral Transport \$11,250.00

The Model 495 has 12 feet of cutting power with a unique sweeping header that won't let your down or tangled hay escape.

The 495 also gives you a nine-foot swath, something the narrow rolls of other brands cannot do. Of course, changing to big windrows requires only a slight adjustment to the baffle... and that's made without tools.

N.H. 499 PIVOT TONGUE MOWER-CONDITIONER With Hydraulic Guard Angle \$14,750.00 Demo

Take the Model 499 Haybine' mower-conditioner into any hay field and you may think it's a windrower, but your crop will tell you it's a mower-conditioner. Sperry New Holland has taken the best features from its line of mower-conditioners, added a few new ones, and combined all of them in a 12-foot pivot-tongue machine that makes opening fields easy, cuts square corners, and best of all, allows you to cut back and forth on the same side of the field.

(1) N.H. 849 ROUND BALER w/Auto-Wrap "Loaded" \$11,850.00

If you want to make a lot of good looking bales in record time, check out the Model 849 from the round baler leader... Sperry New Holland. The "849" turns out solid 4 3/4' x 5' bales that weigh up to 1200 pounds. And, to make your job easier, there's a host of options that add comfort and convenience to a round baling system.

(1) N.H. 855 ROUND BALER w/Auto-Wrap "Loaded" \$14,200.00

For acre after acre, hour after hour capacity in a round baler, nothing comes close to the "855" from the round baler leader... Sperry New Holland. It's loaded with capacity features like Super-Sweep pickup, a roll floor design and steel apron chains that turn out solid, well shaped bales weighing up to 1700 pounds. And, there's a lot of optional features to make your baling job easier than ever!

\$5,500.00 (Two Only)

Running Gear And Cross Conveyor Extension Not Included In Price
