OUR NEW PRODUCT LINE MILLER PRO FORAGE BOXES

MILLER'S Unique TORQUE TEAM DRIVE SYSTEM allows augers to be engaged slowly to clear away material around the augers - insuring a smooth unloading every time. The heavy-duty steel sides, roof & pressure-treated wood are backed by a lifetime warranty to the original owner. A great buy!!

Designed for Durability

With Kuhn Mower-Conditioners

Kuhn has engineered Mower Conditioners that cut hay up or down, wet or dry, even in toughest conditions. They operate fast, resist clogging and condition hay thoroughly to speed drying time up to 50%. There's less chance of "rained-on hay," and the palatability is improved with a Kuhn Mower Conditioner. **Highly** efficient oval disc cutting system severs crop at base and feeds it through free

swinging fingers and reversible conditioning comb. As grass goes through conditioning comb, natural wax is stripped. Conditioner is adjustable to 20 positions to suit crop and weather. Adjustable swathboards provide light fluffy swaths to ensure fast drying times. Cutterbar is height-adjustable to suit terrain and incorporates blade protection features. Built tough to last! Call or write for more information.

See the KUHN mower-conditioner in action at this year's show!
