DELSON TIPPING TRAILERS

DELSON INDUSTRIES INC. 1422 LeBar, Sherbrooke, Que - J1G 2Y5 - (819) 567-8493

DONAHUE Utility Trailers

- Fixed-bed or tilt-bed • 3,500- to 7,000-lb. GVW • Choice of 4 bed sizes
- Single or tandem axle models • Straight or offset tongue

These quality built utility trailers perform hundreds of uses. They are ideal for hauling small equipment, construction materials and other bulky cargo behind a car or pickup.

Standard equipment includes 3 500 lb. axles (single or tandem) stake pockets, clearance lights and combination stop, turn, tail lights and tail gate. In addition a wide range of handy options are available to allow the user to customize the unit for specific needs.

Model 610T tilt-bed equipped with offset tongue for towing behind a pickup truck. Handy tilt bed allows easy one person loading.

Model 510T tilt-bed shown with straight tongue for cars or mini pickups and optional hand winch. Simply drive equipment on slowly and bed tilts back to level position ready for travel.
