Ram sale set Sept. 1

HARRISBURG - The Commonwealth's finest performance tested rans and top ewes will go on the auction block at the Sixth **Annual Performance Tested Ram** and Invitational Ewe Sale Sept. 1 at the Department of Agriculture's Meat Animal Evaluation Center in State College, according to state Agriculture Secretary Penrose Hallowell.

"The top 75 percent of the 40 rams on test, along with 40 of the finest ewes are scheduled for the sale," said Hallowell, noting that the event begins at 12:30 p.m. in the Center, located near the new Ag Arena on the Penn State

The purpose of the testing program is to provide a common standard to compare individual performance of potential flock sires for rate of gain, feed efficiency, structural soundness, muscularity, condition and estimated carcass merit. The program also provides an opportunity for purebred breeders and commercial producers to purchase performance tested stock.

For additional information and catalogs, contact Ed Barben, Acting Director, Pennsylvania Department of Agriculture Meat Animal Evaluation Center, 651 Fox Hollow Road, State College, PA

16801 or phone (814) 238-2527.

The testing programs are conducted by the Pennsylvania Department of Agriculture in cooperation with The Pennsylvania Department of Agriculture in cooperation with The Pennsylvania State University and the Pennsylvania Sheep and Wool Growers Association.
