HOT SIZZLING SUMMER DEALS!!!!!!!

Going on all USED EQUIPMENT -- Come in and pick out your used combine or tractor and we'll custom design your own finance program.

LOWEST PRICE OF THE YEAR!

A lower-priced twine may look pretty good when you buy it. But how good will it look when you're using it? When you use Sperry New Holland twine, you'll realize the value received from buying the best. You'll get better knotter performance and fewer missed ties because of the high uniformity. Consistent strength means fewer broken bales in the field and during handling and shipping.
