DEUTZ
 THE ALTERNATIVE TRACTOR

Disappointed with returns on time and money spent on finding a practical alternative fuel?

TRY THE ALTERNATIVE TRACTOR

Yes, the unmatched fuel economy of the Deutz Air Diesel engine truly makes Deutz the alternative tractor.

ASK FOR A DEMONSTRATION - Measure actual fuel usage on your farm. That will tell you more about Deutz fuel economy than all those official test reports.

PLUS - EconoCool thermostatic cooling system (standard on all new DX tractors with cab) uses an additional 6-8% less fuel than standard Deutz tractors.

PLUS - Deutz 4-wheel drive delivers up to 40% fuel savings over 2-wheel drive in comparable field work.

PLUS - Stauffer's expert service by factory trained mechanics and fast parts service makes Deutz an even better investment.

Call Harold Stauffer for Deutz tractors in 9 sizes; 45, 52, 61, 68, 84, 110, 125, 135 and 145 hp.
