3	4 9/7 9	6 5/10 5	8 1/13 0	
4	9 9/15 9	13 2/21 2	18 1/29 1*	

\*When the tractor is in fourth range, you cannot operate the tractor in reverse

## Uni-Loader... for power-in-hand command

Uni-Loader design eliminates pedal controls. Helps dairymen get their scraping, lifting, dumping and other backbreaking chores done faster and easier, without unnecessary "steps" to coordinate foot and hand movements. Two hand levers control everything — power, speed, direction, loader and bucket functions.

Other productive advantages include hydrostatic 4-wheel drive for smooth going with infinitely variable control. 360° turn capability for getting in and out of pens, out-buildings and other tight spots with ease. Quick parts and service — with dealer access to the Case nationwide network of computer-linked parts depots.

**THE NUMBER ONE  
SKID STEER LOADER**
