

Farm toy show to be held Oct. 13

McCormick-Deering 10/20 from the 1930's is made of cast iron and is a popular subject for reproductions.

LANCASTER — The largest farm toy show and auction ever staged in the East will be held in Lancaster County on Saturday, Oct. 13.

Participation involves displaying collections in competition for the trophies awarded, setting up tables full of older toys to sell, selling repair parts, decals, or collector books, or just coming to look, buy, sell or trade farm related toys.

Collectors from Florida to New Hampshire and from as far west as Iowa are coming to display their collections and wares on over 50 tables. Last years winners were from Maryland and Pennsylvania. They will face even greater competition this year.

Also Ray Criley and Charles Burkholder, authors of the book "Collecting Model Farm Toys of the World" will be there.

This year's show will be held in the large gym at the Lancaster Mennonite High School along Route 30, just east of Lancaster, it will again be sponsored by Dave Nolt, who is one of the original collectors in the East and has written several books on farm toy collecting. Also, he is a regular contributor of articles on farm toy collecting to the monthly farm toy collecting magazines and other farm related publications.

The show opens to the public at 9 a.m. on Saturday, Oct. 13 and will remain open til 10 p.m. Around 2:30, a children's pedal tractor pull will be held (weather permitting). Boys & girls from 4 to 9 years old can compete and will be awarded

Model 8N Ford tractor dates from the 1950's.

prizes. Special pedal tractors will be furnished and will pull a sled with a moving weight box just like the big ones. Children wanting to pull should be there by 2 p.m. so they can sign up. Permission of a parent is needed.

At 5 p.m. an auction will be held

of older farm toys including pedal tractors and will continue until 10 p.m.

Admission will be charged except for the pedal tractor pulling event. For more information, write: 84 Show, 57 Harristown Rd., Paradise, PA. 17562.

Atlantic releases sire directory

LANCASTER — Atlantic Breeders Cooperative has released its Fall 1984 Holstein Sire Directory. It includes not only PD information on Atlantic's highest dollar value line-up ever, but linear profiles, pedigree information, aAa codes and calving-ease information. The directory begins with the very popular 15H341 Stewart and goes on to include the other 30 active bulls that combine a variety of type and

production genetics.

Also included in the directory is an explanation of ABC's Linear-Mate program which offers dairymen the opportunity for optimum herd improvement through selected matings by Atlantic specialists.

Contact Atlantic today at 1575 Apollo Drive, Lancaster, 17601 or your local ABC Representative for your copy of the Fall Directory.

Oliver 77 from the early-1950's is equipped with mounted corn picker.

Now is the TIME to think about your garden and lawn equipment, that is, if you want to save MONEY.
