WORKER B'S.

Nothing works harder than our B-Series tractors. They range from 12 to 19 hp. So there's one for every job.

And with a hydraulic 3-point hitch, front and rear PTO, these tractors can handle a variety of implements.

Like every Kubota tractor, B models come with your choice of 2- or 4-wheel drive. Plus a sturdy, low-maintenance Kubota diesel engine.

There are special features you can choose from, too. Like hydrostatic transmission for the ease of no-shift one-pedal control.

So if you're looking for a hard worker, look no further than Kubota's worker B tractors.

Nothing like it on earth.™
