### Pennfield's Pelleted Hog Feeds Can Save Feed \$

Yes - University feeding trials and local on farm side by side tests have proven that finishing hogs waste less feed when their ration is pelleted. Pennfield's high quality hog pellets can help improve feed efficiency which is the key to operating a well managed hog finishing operation.

\* Feed prices quoted include 8 ton volume discount and a cash discount of 2½% due 15th of the following month. An additional discount of \$3 per ton is available if paid in 10 days. Prices are effective 9/16/84 and are subject to change with grain markets.

\*\* Amount of feed required to finish pigs will vary based on quality of pigs and facilities.
