

# Top Fuel Efficiency? In a 40- to 60-hp tractor it's John Deere.

Need a tractor in the 40- to 60-hp range that delivers exceptional fuel economy and lugging ability? You need a John Deere 40-hp 1250, a new 50-hp 1450, or a new 60-hp 1650 Tractor. These tractors offer test-proved\* fuel economy, lugging ability and base-price features most comparable tractors don't. New John Deere Powr-Pack™ engines with Powr-Chamber™ design get more usable power out of every drop of fuel. These tractors also feature power steering, hydraulic wet-disk brakes, 9 forward and 2 reverse speeds, independent PTO, 3-point hitch and adjustable seat. And to make the tractors even more efficient in tough conditions, mechanical front-wheel drive is available. Stop in soon for full details on the tractor you deserve, at a price you can afford.

\*For a free copy of Nebraska Test No. 1437 (1250 Tractor), 1505 (1450) or 1506 (1650), send a self-addressed envelope to Deere & Co., Dept. 870, John Deere Road, Moline, IL 61265.

## LOADER FOR MFWD TRACTORS

Get a John Deere self-leveling 245 Loader for work with your mechanical-front-wheel-drive tractor, 55 to 75 hp

Clean up mucky feedlots early this spring with a John Deere 245 Loader mounted on a John Deere MFWD tractor from 55 to 75 hp. High-profile loader design provides plenty of clearance for large front tires.

Move plenty of manure and materials fast with the 245 Loader. Lift capacity is 2370 pounds, with a maximum lift height of 11 feet 5 inches. Self-leveling bucket helps reduce spills for fast work.

Get single-lever control — you command loader functions with just one lever. Forty degrees of bucket rollback lets you get a full bucket every time. Enjoy Quik-Tatch™ mounting.

### The Long Green Line™

*Nothing runs  
like a Deere™*

**Everything about these  
tractors means business...  
right down to the finance  
charge waiver.**

There's a John Deere compact utility tractor that's just right for your work. And now you can buy that tractor at a price that's just right for the pocketbook, thanks to special financing available from John Deere. Buy a new John Deere 650, 750, 850, 950 or 1050 tractor now and pay no interest until April 1, 1985, when financed through John Deere.

John Deere offers five different compact utility models, featuring a wide variety of standard equipment, options and accessories. Every model is diesel powered, ranging from 14.5 hp to 33 PTO horsepower. That includes the industry's only turbocharged compact diesel — the John Deere 1050.

Stop in today and find out how a John Deere compact utility tractor can meet your needs — and your budget — with a waiver on finance charges until next April.

(Financing subject to approved credit)
