

1 FARM EQUIPMENT

FOX BRADY 5072 SHREDDER GREEN CHOPPER

Shreds stubble or harvests feed

The Fox Brady 5072 salvages a 72 inch swath of stalks for low cost feed and bedding. It mows, harvests corn stalks, chops pastures and greenchops hay. Built in adjustable shear bar lets you select length of cut. Close the internal door on the rear delivery hood and it's a conventional shredder. The Fox Brady 5072 is horsepower certified for 36 to 108 PTO horse power at 540 r.p.m. Its rugged super alloy knives last twice as long and they're guaranteed against breakage for the entire life of the flail knife. Duraface knives are optional.

All units have overriding PTO and slipclutch.

FOR LOW-TILL OR NO-TILL

Save fuel, time, moisture and soil with a Max-Emerge conservation planter. Here's a rugged planter you can rely on in most soil conditions, including stubble and many sod fields.

Heavy-duty springs help transfer weight from the 7-inch frame to each planting unit to keep unit-mounted coulters in the ground. Frame-mounted coulters and cast-iron firming wheels are available, too, for extra-tough conditions.

Whether you no-till, low-till or conventionally till your ground, these 4-row (30 to 40-inch rows), and 6- and 8-row narrow models can help you save fuel, time, moisture and soil. See us soon for details.

(2) 6 row conservation planters left at '84 Prices. Waiver of Interest And Payments Until Spring Of '85
