

INTERNATIONAL®

SAVINGS AS SIMPLE AS

Take advantage of these savings opportunities on International equipment.

It's time to make important year-end equipment buying decisions. That's why International Harvester is offering these special ways to save on new and used tractors, combines and other qualifying equipment.

1 Save With Low Prices

From now through December 31, 1984, we can offer you Company-authorized special savings that make it possible to give you the best deals ever. Low prices, coupled with possible year-end tax benefits, make this your best opportunity to save on quality International® equipment.

2 Save With Our Waiver of Finance Plan

A second advantage of buying now is our wide-range Waiver of Finance offer. Buy any of our qualifying new or used equipment this year and you'll save by not paying finance charges until a later date. See the chart for details.
