

PORK PRODUCTION FOR PROFIT

Who has built or remodeled
Swine complexes for more than:

1. 7,500 Sows — **2.** 30,000 Finishing Hogs

3. Built 2 of the latest
DeKalb Crossing Farms
(OH & PA)

4. Built 2 of Kleen Leen
Boar Farms And 1
Gilt Farm

Let
Farmer Boy Ag
Design and Build
You a Complete System
From Farrowing To Finish

FARMER BOY AG has helped many Pork Producers become Profitable - Here's Why:

When We Analyze Your Needs Here Are Some Of The Things
We Consider:

1. Type of barn, condition & location.
2. Type of manure handling System.
3. Part time management, or full time.
4. How much field work, how much time available for management.
5. Type of herd.
6. What market you are producing for, finishing, feeder pigs, purebred stock, guilts, etc.
7. What funds are available to work with.

All these points have a determining factor on what swine systems you should consider.

As leaders in our industry we have dedicated our services to producers, not merely to sell equipment but to sincerely help the individual in designing a system that will work for him.

Your equipment is fabricated by skilled tradesmen in accordance with your layout, and is hot dipped galvanized to give maximum protection against corrosion.

Our business was founded on satisfied customers and our future business is from your neighbors, so we stand behind each and every installation to insure a satisfied customer.

Ask us about our customers who run their
units at 110% or more of capacity.

Pa. legislator wins 4-H alumni award

Jess Stairs

CHICAGO, Ill. — Jess Stairs, a state legislator from Acme, Pa., has been named a national winner in the 4-H alumni recognition program.

He is one of eight former 4-H members who received the coveted Gold Key Award during the 63rd National 4-H Congress in Chicago, Nov. 25-29. The awards are presented by Friends of Kenneth H. Anderson.

Stairs was a 4-H member in Westmoreland County, Pa., for 10 years. He served as president of the county 4-H council, and was an International Four-H Youth Exchange delegate to India in 1964. Stairs also was a member of the Westmoreland County dairy judging team for five years, and an advisor to the state leadership school.

A graduate of The Pennsylvania State University, Stairs holds a bachelor's degree in dairy science and a master's in guidance counseling. He has been a member of the State House of Representatives since 1976. Stairs also operates the family dairy and livestock farm, where he still lives. His interest in agriculture has brought him many honors, including participation in a Rotary Group Study Exchange Program with Australia in 1973.

4-H not only influenced his choice of college major—dairy science—but also his farming career. As a legislator, Stairs has hosted many 4-H'ers at the annual State Capital Days, and encouraged his own children with their 4-H projects.

He is married to the former Joan McQuaide and they have two children.

USED STEEL TANKS

OVER 150 IN STOCK
275 Gal. to 20,000 Gal.

Can Be Used For -

- Feed and grain bins
- Livestock water tanks
- Feeding troughs
- Tolls & Bridges
- Manure Storage
- Fertilizer Storage
