

INTERNATIONAL®

SAVINGS AS SIMPLE AS 123

Take advantage of these savings opportunities on International equipment.

It's time to make important year-end equipment buying decisions. That's why International Harvester is offering these special ways to save on new and used tractors, combines and other qualifying equipment.

From now through December 31, 1984, we can offer you Company-authorized special savings that make it possible to give you the best deals ever. Low prices, coupled with possible year-end tax benefits, make this your best opportunity to save on quality International® equipment.

2 Save With Our Waiver of Finance Plan

A second advantage of buying now is our wide-range Waiver of Finance offer. Buy any of our qualifying new or used equipment this year and you'll save by not paying finance charges until a later date. See the chart for details.
