CHRISTMASTIDE

To follow the light of a
star... to worship and to pray
... to give of our plenty
to others... to share the joy
of Christmas... these
are the true gifts of Christmas
... ours today as when the
wise men sought a humble manger.
May we treasure them always.

Eliminate Fencing Problems

WITH

ARC
SOLAR FENCING

"The Arc 12 Solar system allows us to safely run our stallions next to the mares eliminating time and labor on try backs."

Harold S. Warder Quality Quarter Horses Oskaloosa Iowa

- Eliminates fence sagging
- No staples or wire clips
- Adjustable enclosed spring assembly for each wire
- Optional site rails™
- Optional Arc 110 Volt multi wire unit
- Installed by trained dealers
- Fully guaranteed by warranty

The ARC 12 Fence is a new concept in livestock fencing. Using free energy from the sun, the solar powered solid state unit keeps a powerful 12 volt battery charged for effective shocking. Special non-conductive white plastic posts are attractive and extremely durable, capable of being bent 45° and returning to their original position. Using smooth 12 1/2 gauge high tensile wire eliminates injuries from barbed wire.
