PAFC appoints executive secretary

HARRISBURG – Kathy E. Gill of Carlisle is assuming responsibilities as executive secretary of the Pennsylvania Association of Farmer Cooperatives starting Feb. 5, according to President Ward Cooper.

Gill replaces Wallace Dunlap of York, who served in a part-time capacity as administrative director for 18 months.

"Appointing a full-time executive secretary is only one step towards fulfilling the longrange goals of the organization," Cooper said.

Gill has worked in the press office of the state Department of Agriculture since July 1984. Prior to that, she was communications manager for Inter-State Milk Producers' Cooperative of Southampton. "She blings a wealth of journalistic, economic and cooperative experience to the organization," Cooper said. "While an Inter-State employee, she served on the PAFC Board of Directors for three years, specializing in cooperative education and cooperative relations."

A native of Georgia, she holds a bachelor of arts degree in journalism from the University of Georgia and a master of science degree in agricultural economics from Virginia Polytechnic Institute and State University.

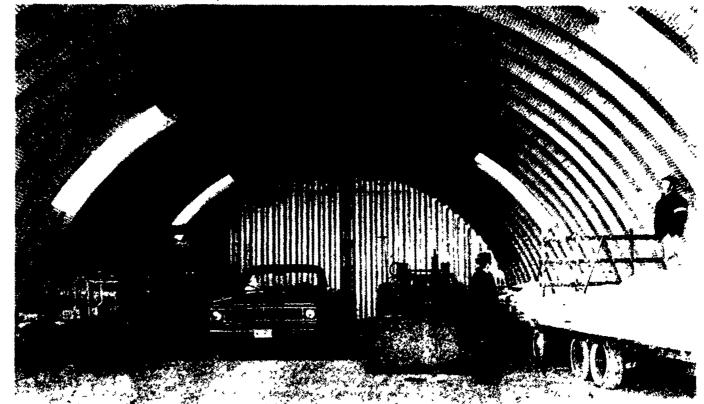

Her contributions to the field of agricultural journalism have been recognized by her peers in the Cooperative Editorial Association as well as by the National Milk Producers Federation and the National Council of Farmer Cooperatives.

Farm and Home Foundation directors

The Lancaster County Farm and Home Foundation elected several new directors at their annual meeting Thursday night. From left are new directors Sally Bair, Columbia; Evelyn Crider, Nottingham; Ruth Nissley, Mt. Joy; and Jay Landis, Lancaster. Also elected directors but not available for the picture were J. Everett Kreider, Quarryville; Bonnie Miller, Lancaster; and Larry Skromme, Lancaster.
