Ask your participating Master Mix Dealer how you can earn both a free pair of high quality Wolverine® boots and free Potency Formulated starter feed.

Master Mix is anxious to show you how improved feed conversion and increased average daily gain can help you produce more pork per ton of feed and get lower fixed costs per pound of pork marketed.

We can help you generate more profit with your hog operation with our new line of high performance Potency Formulated feeds developed by Master Mix Research. Potency Formulated feeds are available for all phases of pork production and supply the highest levels of useable

amino acids and energy to give performance and profits in your operation.
