**JOHN DEERE
GREEN LIGHT
SERVICE TAKES
THE WORRY OUT
OF BEING
BUSY...**

Especially when the weather doesn't cooperate. That's when the season seems shorter, you get busier and equipment downtime costs more

But when you take advantage of our Green Light Service, especially the off-season specials like the one we're having right now, you can roll into the field and not worry so much about unexpected downtime. Because we will have inspected for the unexpected. And troubleshooting in the shop is a whole lot more affordable than finding trouble in the field. Especially when you're busy

So call us today and check out our Green Light Service Specials. Then you won't have to worry about it later when things get busy
