

World Relief Sale

(Continued from Page A1)

your cities and leave our farms and your cities will spring up again as if by magic; but destroy our farms, and the grass will grow in the streets of every city in the country."

Returning to the generosity of the sale participants, Stoesz concluded, "Regardless of how bad we may think we have it here, this day is for those who have it worse."

In addition to the \$63,000 raised on Thursday, sale manager Wilmer Kraybill said that several thousand dollars more will be raised this week from slaughter animals sold in the New Holland sales ring.

Donated to the World Relief Sale

were many fine dairy animals. Topping the sale was a December ET calf donated by Ben Fisher, Larry Wenger, John Umble and Joseph Lusby, of Paradise. The Fish-Acres Elevation Archie daughter by Glendell Arlinda Chief brought \$3150 from the Best Syndicate of Mount Joy.

The Archie dam is scored excellent and has a +741M index. Her top record stands at 28,290 pounds milk with 943 pounds fat.

The second and third high selling heifers were Pleasant-Hollow Ideal Bessie and Bendy-Brook Bova Clover.

Donated by John and Orpha Peters, of Manheim, the Bessie heifer left the sale ring at \$1500.

Due to Bell on March 22, she is by Zeldenrust Ideal Leader.

Following close at \$1450 was Bendy-Brook Bova Clover She was donated by Nevin Mast, of Oley, Berks County.

Other top sellers were a Jet Stream daughter, a Sexation daughter from a 23,951 pound dam, a Conductor daughter from an excellent Kingpin, and a Jemini daughter from a 1020F dam.

The sale average on 74 head was \$778. Following the sale, manager Wilmer Kraybill expressed his satisfaction with the average and with the sum raised for World Relief.

Farm Bureau proposal

(Continued from Page A1)

America — including those that don't come under federal farm proposals.

In other action, Congressional supporters of emergency farm credit legislation passed earlier this month have apparently given

up their efforts to override the President's veto.

A number of organizations, including the National Farmers Union and the National Farmers Organization denounced the veto, calling it "outrageous" and "sadistic."

Eliminate Fencing Problems

WITH

ARC
SOLAR FENCING

NUMBER 1 CHOICE OF NEW FENCING BY AMERICAN FARM & RANCH OWNERS

"The Arc 12 Solar system allows us to safely run our stallions next to the mares eliminating time and labor on try backs
Harold S. Warder, Quality Quarter Horses, Okaloosa, Iowa

- Eliminates fence sagging
- No staples or wire clips
- Adjustable enclosed spring assembly for each wire
- Optional site rails™
- Optional Arc 110 Volt multi wire unit
- Installed by trained dealers
- Fully guaranteed by warranty

The ARC 12 Fence is a new concept in livestock fencing. Using free energy from the sun, the solar powered solid state unit keeps a powerful 12 volt battery charged for effective shocking. Special non-conductive white plastic posts are attractive and extremely durable, capable of being bent 45° and returning to their original position. Using smooth 12 1/2 gauge high tensile wire eliminates injuries from barbed wire.

YOU CAN TELL BY LOOKING...

Spray King™ sprayers

One look at a Century sprayer will show you that nobody pays as much attention to workmanship as Century does. Check out the quality welds, the heavy gauge steel, the all-nylon fittings and the baked-on finish. Once you've seen how well Century sprayers are built, you'll know how long they'll last.

The Spray King™ is a precision engineered,

field proven applicator. State-of-the-art features assure accuracy, dependability and ease of operation.

Standard features include polyurethane tanks, no-drip nozzles that prevent waste, heavy duty 1 1/2" square boom tubing with shock absorbers for even application and boom widths of up to 50 feet.
