

Add up what a 9-month John Deere finance charge waiver means to you

Are most advertised "low-rate" finance offers the big deals they're made out to be? Not compared to John Deere's 9-month finance charge waiver on new tractors, 40- to 300-hp.* As the chart shows, the John Deere 9-month waiver is more attractive than most of the low-rate offers you've read about. And, as you can see, paying off the John Deere contract early could result in an effective rate as low as 3.38%.
