STRAWBERRY SOUR CREAM PIE

1 9-inch baked pie shell
¾ cup sugar
¾ cup all-purpose flour
¼ teaspoon salt
2 cups milk
4 eggs, separated
1½ teaspoons vanilla extract
¾ cup dairy sour cream
1 cup sliced fresh strawberries
¼ teaspoon cream of tartar
½ cup sugar

Combine ¾ cup sugar, flour and salt in a 2-quart saucepan. Gradually stir in milk until smooth. Cook over medium heat, stirring constantly, until thickened and mixture comes to a boil. Boil

and stir 1 minute. Remove from heat and stir a small amount of hot mixture into egg yolks; return all to saucepan. Cook over low heat until thickened, about 2 minutes. Do not boil. Remove from heat and stir in vanilla. Gently fold in sour cream, a small amount at a time. Cover and cool to lukewarm.

Meanwhile, line bottom of pie shell with strawberries. Spoon filling over strawberries. Preheat oven to 350°F. Beat egg whites and cream of tartar until frothy. Gradually add ½ cup sugar and continue beating until stiff peaks form. Spread meringue over filling, making sure that meringue covers filling completely and is sealed to crust. Bake until lightly browned, about 5 minutes. Remove from oven and chill 3 to 4 hours before serving.

Peach Bottom man wins dairy judging contest

FORT ATKINSON, Wis. - With a perfect score, H. Thomas Kirk, 24, Peach Bottom, won first place and \$100 in the senior division of the 1985 Hoard's Dairyman Cow Judging Contest. Kirk operates a dairy farm with his parents, Francis and Ethel.

The judging contest is sponsored each year by Hoard's Dairyman, a national dairy farm magazine. The 55th annual contest attracted 96,924 contestants from all 50 states and 35 foreign countries.

Kirk was one of four of the 15,411 senior contestants to receive a "perfect 500" score. The odds of getting a perfect score in the contest are 1 in 7,962,624. Kirk was determined the winner based on his reasons for placing the classes the way he did.

Born and raised on his parent's Lancaster County dairy farm, Kirk is a 1979 graduate of Solanco Senior High School, Quarryville. He was a member of the Solanco FFA chapter, holding the offices of president, vice president and secretary.

He also was a member of the local FFA judging team for four years, placing third in the Pennsylvania FFA Dairy Cattle Judging Contest in 1977 and 1978,

and first in reasons in 1978. His team placed first, and he was sixth high individual, at the 1979 Eastern States Exposition.

Kirk and his parents farm 365 acres and manage a herd of 100 registered Guernseys. The milking herd averages 14,400 pounds of milk and 660 pounds of butterfat.

The contest involves judging pictures of four cows from each of the five dairy breeds. A different breed is featured on the cover of five consecutive issues of the magazine. Nationally known dairy cattle judges make the official placings and the contestants are graded accordingly.
