Concrete Pipes, 30"x20' long. Ideal for liquid manure & under driveways.
717-786-2839

(ATTENTION DAIRYMAN)

In today's economy stress, you must feed your cows properly
Put in trough dividers, with fold up flaps to make easy sweeping. It prevents late lactating cows of over-eating & gives the high producers more time to eat their feed which results in more dry matter intake and more milk.
Being able to know exactly what each cow eats will be a benefit to you and the cow.
We also build self locking head gates and cattle guards, gutter grates
