Huge Planter Savings with John Deere IRAs (Inventory Reduction Advantages)

During John Deere's factory authorized inventory clearance you can save thousands of dollars on a new John Deere Max-Emerge planter. And John Deere IRAs make the deal even better.

Max-Emerge planters started as a promise from John Deere to farmers. Actually, several promises.

- Consistent planting depth
- Positive seed/soil contact
- Uniform germination
- Maximum emergence

Now you can get all this and great prices, too. The best planters we've ever made are now value-priced like never before. These are the market leaders - not "also-rans". More than a million rows have been put to work.
